The Voting Information Project in 2020

A Decade of Collaboration
What is the Voting Information Project?

The Voting Information Project (VIP) works with state and local election offices to provide official information about where to vote and what’s on the ballot to voters via the internet.
How does VIP work with Election Officials?

VIP staff coordinate with state or county election offices as an election approaches.

Find Your Polling Place or a Vote Center

Polling places and vote centers are established by county elections officials. Look for your polling place address or vote center locations in the county Voter Information Guide that you receive in the mail a few weeks before Election Day.

You may also visit the Secretary of State’s website at vote.ca.gov or call the toll-free Voter Hotline at (800) 345-VOTE (8683).

You can also text Vote to GOVOTE (468683) to find the location of your polling place.

If you live in Amador, Butte, Calaveras, El Dorado, Fresno, Los Angeles, Madera, Mariposa, Napa,
